FOREWORD

"The time has come", the students said, "to talk of many things-
Of books, quizzes, and examinations; of graduation and Senior rings;
Of basketball and pep rallies, parties and friends,
Of classes, junior-senior, and a farewell picnic at the inn."

So we, the Staff, rolled up our sleeves, and then began to write
Of this and that; to check class rolls, read copy half the night.
We made group photos, portraits, snapshots of students here and there,
And worried o'er financial woes until we tore our hair-
Gallons of our own sweat and tears we shed, dear students, all for thine,
To give you this, your own yearbook - "The Knob Whispers" of '49.

DEDICATES

TO

MISS WILLIE LOU McGEE

this volume of "The Knob Whispers" - a dedication to one whose patient, willing, and understanding guidance will never be forgotten by those who have had the privilege of knowing her. May this memorial, though comparatively insignificant to her many achievements, be an everlasting token of our gratitude.
